Sindown was feeled in 1865, and only ran in his three-year-old form (1868). He won at all distances from one to three mile heats, and wen at Saratoga. Troy, (three races in one day), at St. Lonis and New Orleans, bearing the fast horses then on the turf, including Gilroy. Little Mao, Transit, Merrill, Sympathy, Rochester, Vaux Hail, Boaster, Carrie Atkerton, &c. &c. Sundawa was the stable companion of Pat Malloy, Banshee and Plantagenet, and was certainly the equal of any of them. He was as fast as the Banshee, and she was only beaten three feet at Saratoga in a race of 18 miles, run at the rate of 146-16, the best race ever run with full waight. We consider Sundown one of the best horses on the turf in America. He was bred by John R. Wiley, Lexington, Ky, and his pedigree cannot be surpassed. He has a spiendid constitution, is very powerful, and must make a fine breeder for all purposes.
